ACHIEVERS PROGRAM MISSION AND STRATEGIC GOAL

The YMCA of Tampa Achievers Program is committed to motivating youth by giving them support, direction, and opportunities to determine, pursue and achieve their personal academic and career goals. Our strategic goal is to positively uplift our student Achievers by helping them reach their goals through academic support, career exploration, and mentoring, through productive collaborations with their parents/guardians, corporations, businesses residents and Y staff within the Association's service area and beyond.

ACHIEVERS' CODE OF CONDUCT

The YMCA is committed to providing a safe and welcoming environment for all members and guests. To promote safety and comfort for all, all individuals are asked to act appropriately at all times when in our facility or participating in our programs. We expect persons, using the YMCA to act maturely, to behave responsibly, and to respect the rights and dignity of others. Our Achievers Code of Conduct outlines prohibited action, but the actions listed below are not an all-inclusive list of behaviors considered inappropriate in our facilities or programs.

- While you are on YMCA property, you will act respectfully toward the other program participants as well as all YMCA staff and members.
- You are responsible for your own belongings and personal property while at the YMCA. You will also show respect to others' belongings and personal property, as well as the YMCA's property and grounds. The YMCA is not responsible for lost or stolen property; it is recommended you do not bring valuables into the facility, or place them in a locker when you are here. All property brought into the YMCA is subject to being searched by YMCA staff to ensure the safety of all participants.
- Inappropriate behavior will not be tolerated at or outside of the YMCA and may result in immediate suspension. This includes, but is not limited to, use of tobacco, consumption of alcohol, drug use, fighting, verbal put-downs, bullying, threats, public affection, obscenities or obscene gestures.

YMCA CORE VALUES

You are expected to exhibit the YMCA core values of caring, honesty, respect, and responsibility at all times:

- **Respect:** Respect, even if you don't understand. There may be people in club or people that you will come across in life that you don't quite understand. You may have different interests, values, lifestyles and cultures. But whatever the differences, one thing you should have in common is your respect for each other.
- **Responsibility:** You may be young, but you are responsible for your life. This means looking at your past and learning the lessons from experience, looking at your future and thinking about what kind of impact you want to have; and looking at the world around you and seeing how you can use your talents, skills, and creativity to help improve the community and the world.
- **Honesty:** Be honest in your relationships. Whether it is your parents, best friend, significant other, teacher, advisor, or any other relationship in your life – try to make honesty a priority. Honesty leads to credibility, which leads to trust, which leads to a strong relationship.
- **Caring:** Caring about others is best illustrated through action. Volunteer to help out at home, at your school, and in your community. Spend time doing something that you care about that benefits you and those around you.

EXPECTATIONS AND REQUIREMENTS

- Program attendance is taken at every meeting. Achievers are expected to attend at least 80% of meetings.
- Minimum of a C average (2.0 GPA) in core subjects.
- Grade improvement in one or more core subjects.
- Achievers should be actively engaged in all program activities.

I have read the Achiever's Code of Conduct, expectations, and requirements. I understand that any failure to adhere to these guidelines could result in removal from the program.
